All Current Supplement Subscribers:

SUBJECT: New Edition of the Revised Ordinances of Honolulu

This fiscal year, the Revised Ordinances of Honolulu 1990 (ROH), will undergo recodification. Recodification is a maintenance activity that aims to update antiquated provisions and references of the code. Recodification is a significant task that will take, at minimum, one year to complete. It may also affect the frequency of code supplement issuances. The result of recodification will be a *new edition* of the Revised Ordinances of Honolulu.

To help keep you informed about recodification activities, all current supplement subscribers will receive periodic recodification updates via email. As it becomes available, information will also be accessible on the Revised Ordinances of Honolulu website at: <http://www.honolulu.gov/ocs/roh.html>.

If you have any questions in the meantime, please contact the Revisor of Ordinances, the Office of Council Services at ocs@honolulu.gov

Aloha,

Ernest Y. Martin
Chair & Presiding Officer
Honolulu City Council
